MFHS Recap:

Pep Band:

Our students are split into two pep bands to perform at our home football and basketball games. Pep Band "A" performed at the Friday the 13th game and played a LOT since the power was out/the PA did not work! It was awesome to see our upperclassmen get to know our new freshmen and our freshmen did an outstanding job as they had to learn 17 new pieces in six days! Fox 6 News even named us Band of the Week for our performance and had a clip of us on their show! Check it out here and zoom to 5 minutes and 20 seconds: <https://fox6now.com/2019/09/13/high-school-blitz-week-4-highlights/>
